Nestled within a gated development designed by Hariri Pontarini Architects, this exclusive 2.5-acre waterfront retreat is a testament to luxury living. Inspired by the open-concept charm of Bali, the property features two distinctive homes, a grand 12,000 sq ft residence, and a more intimate 6,000 sq ft retreat, each exuding bespoke design. Surrounded by tranquility, the estate offers easy access to recreational activities such as skiing, golf, and hiking. Notably, a Transport Canada-approved helicopter landing pad adds a touch of convenience. With the frame and roof completed, this property provides a unique opportunity for customization by the new owners, with architectural design and project management already in place, you have the freedom to choose your own style and finishes. The package also includes a vacant lot for potential expansion, allowing for an additional house, tennis court, or pool. Positioned for seclusion yet accessibility, this waterfront retreat offers a harmonious blend of nature, luxury, and personalization in an unparalleled setting. (id:50245)
