Vacant Land

304 RAVENSCLIFFE Road, Huntsville,
Ontario, P1H1L6

Located in close proximity of a subdivision, soccer pitch, baseball diamonds, public beach and numerous business's, this location has a high traffic count, easy access off the highway and would be a perfect location for your business idea. Great traffic count for an office or variety store. Although the new zoning designation is UR1, there is a long list of allowable uses on the property including retail, office, Veterinary Clinic, Convenience store, Bed and breakfast and many more. (please see documents from The Town of Huntsville of allowable uses). This location for many years was the location for arguably, Huntsville's busiest Variety Stores. Would be an ideal location for a commercial/residential use. Water and Sewer are already located on the property. Bring me your idea. (id:50245)
