Welcome to Wasaga's most desired estate lot subdivision where the fairways of the former Wasaga Sands Golf Course make for wide open spaces in most back yards including 6 Deanna Dr. Here is where you will find this lovely 7 year old bungalow constructed by VanderMeer Homes and built for family living with 3 bedrooms up including primary with ensuite with loads of ceramic, large kitchen/dining area with island/eating bar and quartz countertops, plus a dinette with patio doors accessing a 14' x 23' deck. All of this overlooks the great room with vaulted ceilings, gas fireplace and engineered hardwood flooring. The lower level of the home is predominantly finished with a super large 19' x 35' family/games room, a 4th bdrm and 3rd full bath. There is room for an additional bedroom and provisions have been made if the desire is to convert to a second unit. Treat yourself to a viewing. (id:50245)
