All brick side split with carport, centrally situated on a large lot, fully fenced with two wide gates to access the rear yard. This lovely well appointed home features entertainment galore!, an inground pool, a hot tub, a deck with a gazebo and two side yards. There is a separate entrance to enter into the in-law suite and also it has an interior door that leads to the main floor home. The main floor boasts an open concept from livingroom to dining room with patio doors that lead to the pool area. The second level has three bedrooms with each having a closet, and the bathroom has a generous amount of cabinetry for toiletries and towel storage. The lower level is set up as an in-law suite with a small kitchenette, a laundry/bathroom and a bachelor style bedroom/living room with ample light throughout. This home won't last long with everything it has to offer and at price that's manageable for first time home buyers to enter the marketplace. (id:50245)
