Looking to escape the city? Whether you are drawn by the links, the water, or the spa — or come to work remote — Living Water Resort & Spa in Collingwood is a four-season vacation resort — nestled in a natural playground between the mountains and the bay — where you can have fun, relax, and be reinvigorated. Enjoy this three-week fractional ownership of a 1-bedroom studio, 1 bathroom, and fully furnished. Weeks of use are weeks 3, 4, and 15, based on the calendar year. This ensures you have 2 winter weeks during the ski season and one to enjoy in spring. These all have a Friday check-in. Enjoy these three weeks for yourself at Living Water Resort, or you can add your unit to a rental pool, or change up your vacation destination by exchanging with any one of Interval International's worldwide partners. Enjoy the wonderful amenities (gym, rec center, games room, pool and slide) all included in this ownership, or venture into the waters of Georgian Bay from the marina and dine at the diverse selection of restaurants. Championship-style golf course, and full-service spa are extra. This is the perfect time to ensure you have a vacation spot to escape to for years to come. (id:50245)
