103 THOMAS Street, Milton, Ontario,  
L9T2E3

Take a look inside one of the most iconic homes in Old Milton. Listed but not designated heritage, this beautiful 1800's century home sits on an expansive 132 x 126 ft lot and offers almost 4000 sq.ft. 4 bedrooms, 4 bathrooms, fully detached 3 car garage/workshop with loft. Inside, you will find stunning crown mouldings, detailed trim, beautiful hardwood flooring and door hardware, classic radiators for supplemental heat (heated mainly through forced air gas), 3 fireplace (2 gas, 1 electric), California shutters and more. The chef's kitchen includes a large island, 6 burner commercial grade gas range w/built-in ovens, large pantry, and secondary sink; opening to the family living and breakfast area so you can entertain as your cook. Explore the formal dining room and family rooms before you make your way to either set of two staircases leading to the second floor. Primary bedroom includes walk-in closet and large bath with 2 separate sinks, his and hers showers, and freestanding claw-foot tub. Second floor laundry for your convenience. A home like this does not come on the market often. Seize the opportunity to own a piece of Milton's history before it's too late! (id:50245)
