2 ISLAND 840/JACK'S ROCK, Honey
Harbour, Ontario, P0E1E0

Oldie...but a goodie. Enjoy 365 degree views from this private, gently sloping rocky island. A massive open concept living room is embraced by 2 stone fireplaces, one on each end. Four spacious bedrooms are located on the periphery of the cottage, with a full length sunroom on the east facing exposure. There is potential to resurrect an older sleeping cabin on the south side. Breathtaking water views with almost 950 feet of shoreline and deep water dockage. Just a short boat ride from local marinas and a 90 minute drive from Toronto, make Jack's Rock your personal sanctuary.
